

This Rock [Lyrics, 78 bpm, 4/4]

[Fresh Life Worship] by Kevin Guido and Levi Lusko

INTRO

V1

The governments of men will fail (x2) -
But Jesus never will
You remain when our kingdoms fade
You have always been, beginning and the end

CH

On Christ The Rock I stand
Your strength will never end
Anchor to my soul I trust in You alone
I'm held up by this hope in You forever

INTRO

V2

Though my world like a mountain quakes (x2) -
And everything around me breaks
In every trial You are always there
You will always be everything I need

INST 1

BR 1

When the fire comes, You are always faithful
When the bottom drops, You will never let me go
When terror comes, You are always faithful
When my strength is gone You will never leave

BR 2

Jesus, You're always there (x2) (x2)
You will never leave me
I'm safe within Your care
You can always carry
Burdens too hard to bear
I can stand upon this Rock
Stand upon this Rock

INST 2 (x2) - (hold)

CH

On Christ The Rock I stand
Your strength will never end
Anchor to my soul I trust in You alone
(Hold)
I'm held up by this hope in You forever
