

Jesus Won [Lyrics, 105 bpm, 6/8]

[Fresh Life Worship] by Kevin Paul Guido

Intro:

Verse

It seemed the cross would be the end
The gates of hell would win
And the grave would seal His fate forever
But our God won't be defeated
His power won't be contained
And no force on earth could hold His love down

Chorus 1

Hallelujah, Jesus won!
Life is found in His great love
Hallelujah, Jesus won!
Joy is found in His great love

Verse

You gave everything to save me
You died to set me free
You broke my chains as God almighty
You will always be my freedom
My joy is by Your side
And my soul delights in You my Savior

Chorus 2

Hallelujah, Jesus won!
Life is found in His great love
Hallelujah, Jesus won!
Joy is found in His great love

We are free, We are free
The truth has set us free
And together we sing hallelujah
