

# Only God [Lyrics, 130 bpm, 4/4]

[Fresh Life Worship] by Shayla Smith

## Intro:

### Verse 1

I will sing to you alone  
With everything inside these bones  
For you alone have saved my soul

And when the pressure and the pain  
Tries to take my song away  
God, you still deserve my praise

### Chorus

For you are always, you're the only God x4

Re-Intro

### Verse 2

And when I try to go my way  
I find my world begins to shake  
For it is only sinking sand  
So I will stand on you alone  
For you are strong enough to hold  
The universe inside your hand

### Chorus

Instrumental: - - -

### Bridge

You will never leave us  
You will not forsake us  
You will never fail us  
Cause you are for us, and not against us
