

# Let It Be [Lyrics, 88 bpm, 4/4]

[Fresh Life Worship] by Shayla Smith

**Intro: -**

May He bless you  
May He keep you  
May His face shine down upon you  
Be He gracious  
'Cause we need it  
May He always be before you leading

Let it be

Let Him bless you  
Let Him keep you  
Let His face shine down upon you  
Be He gracious  
'Cause we need it  
Let Him always be before you leading

And pour out His peace like an endless stream  
And fill you until overflowing  
And surround you with His spirit  
And release you from your bondage  
And instruct you in all wisdom  
And correct you with His kindness  
And increase you with His favor  
And equip you by His power  
And protect you from the enemy  
And delight you with His glory

Let it be  
Let it be  
Let it be
