

Stand Alone [Lyrics, 96 bpm, 4/4]

[Fresh Life Worship] by Kevin Guido and Solomon Ray

Verse

There is nothing like Your love
There is nothing like the grace You poured out
There is nothing like Your love
There is nothing like the grace You poured out

PreChorus

Through the life You gave, saving us all
You poured out love upon that tree to save us all

Chorus

You stand alone, the only One to make new
You showed Your love in giving up Your life saving me
You died saving me

You stand alone with glory never-ending
So powerful, disarming death You shattered the grave
I'm free by Your grace
