

Wild Blue [Lyrics, 69.6 bpm, 4/4]

[Fresh Life Worship] by Shayla Smith and Solomon Ray

Verse and Chorus: - - - - -

V1

When You're pulling, when I'm nervous
You say trust me, you have earned it
Where I feel safe, where I'm comfortable
You are calling to the unknown

Chorus

I'm following You, to somewhere new
I'm following You and You alone
I'm running into, that wild blue
I'm running into the great unknown

V2

When the past fades and all I see is You
Where control ends and I am found in You
When my fear dies, where I let it go
You will meet me in the unknown

Bridge: - - - - -

Bridge

Walking where I used to hide
Once I lifted up my eyes
To where You wanna go-o
I'll go to where You wanna go-o
I'm not afraid, I'm ready, I'm ready
