

No Matter the Hour [Lyrics, 4/4]

[Fresh Life Worship] by Solomon Ray, Shayla Smith, Leon Gregory

VERSE 1

Hope is a Man with holes in His hands
Thorns on His brow, and every breath spent
Jesus the Lamb, forsaken for us
He carried all our sin into the grave, Hallelujah!
He left it in the ground where it remains
Hallelujah!

VERSE 2

Love is a cross where God With Us died
The water and blood flowed from His side
Now the Lion of Judah, He is alive!
He triumphed over death and rose again, Hallelujah!
Oh let the saints and angels sing to Him
Hallelujah!

CHORUS 1

We sing wor - thy
You're so wor - thy
We cry wor - thy
You're so wor - thy

Verse 3

Peace is a Gift with arms open wide
A crown on His head and fire in His eyes
Jesus the King, the Light of the World
Oh every knee will bow and tongue confess, Hallelujah!
You are the Lord of all, Our Righteousness, Hallelujah!

CHORUS 2

We sing wor - thy
Of all the glory and the praise
You're so wor - thy
You stand alone in every way
We cry wor - thy
We've seen more than enough to say
You're so wor - thy

Verse 4

Joy is a Promise, and He's coming soon
Yes, all of creation's aching for You
My Lord and My God, by day or by night
No matter the hour of the day, Hallelujah!
Oh, you alone are worthy our praise, Hallelujah!

CHORUS 2
