

Never Stop [C#, 105 bpm, 4/4]

[Fresh Life Worship] by Kevin Guido

Verse

When the ground falls out, You are all I need
When the sky grows dim, You're helping me to see

Pre Chorus

Guiding me through this weary land, You never let me go
Even when I fall, You take my hand and never let it go

Chorus

Jesus, be here now
Be close enough for me to know
You will never stop loving, never stop loving me

Intro

Verse

PreChorus

Chorus

Jesus, be here now
Be close enough for me to know
You will never stop loving, never stop loving me
