

King Of Glory [Lyrics, 165 bpm, 4/4]

[Fresh Life Worship] by Ghreg Louis

INSTRUMENTAL:

VERSE:

Heaven's drawing near
Tell me do you hear the sound
Of hope rising in our midst?
Behold the Lamb of God
All who once were lost are found
There's no greater love than this
Author of salvation
Nothing else can satisfy
The God of all creation
Living in these hearts of ours
Forever lift him high

We're singing

CHORUS:

Oh! Let Your people say

You are the King of Glory!
And from age to age

You're worthy of all of our praise
From His Throne above
Love has come to redeem this broken story
Who is this King of Glory?

You are the King of Glory

VERSE 2:

Open up, you gates!
Open up, you ancient doors!
Let His Kingdom enter in!
A brand new life awaits,
Hope for all who call Him Lord
Broken is the grip of sin!

The Lord, strong and mighty,
Holds the heavens in His hands
And though we're far from worthy,
He still chose to call us friends

A love that knows no end!
Were singing...

INSTRUMENTAL:

BRIDGE:

Our Counselor, our Savior, our Prince of Peace
Our loving Messiah, the King of kings
The Alpha, Omega, our Cornerstone

King Of Glory -

The Lion of Judah, The Mighty One

We will not be silent! We won't keep calm!
For no stone will cry out and sing our song
A bold celebration, we shout Your name!
Hosanna forever, we give You praise!

In singing...

ENDING TAG:

So majestic and holy!
(You are the King of Glory!)
The only One found worthy,

Jesus, The King of Glory!
