Verse

The love of God is greater far
Than tongue or pen can ever tell
It goes beyond the highest star
And reaches to the lowest hell

The guilty pair bow down with care
God gave His son to win
His erring child He reconciled
And pardoned from his sin

Chorus

You are in love with me
You are in love oh joy
You are in love with me oh joy

Verse 2

Could we with ink the ocean fill
And were the skies of parchment made
Were every stalk on earth a quill
And every man a scribe by trade

To write the love of God above
Would drain the ocean dry
Nor could the scroll contain the whole
Though stretched from sky to sky

Chorus

Bridge

Even though I make a mess of things
You love me in the middle of it
Even Your thoughts are more than I deserve
I can't even start to explain it

Final Chorus

C# B F#

You are in love with me

G#

You are in love oh joy

C# B F# G#

You are in love with me oh joy
