[Default Arrangement]

Intro: -

Verse 1

Jesus You have overcome
You have rescued us in love
You abolished death by taking up
The life You laid down saving us

PreChorus

The day will come when we will see
The shining of Your majesty
The Lion's roar will lead us home

Chorus

In You I have strength for tomorrow
Made new by the grace of the Father
In You I have all I could ever need
You're all I need

Verse 2

You have woken up our souls
And now we're desperate for Your love
You called us out to run in faith
To trust in You for every breath

Instrumental:

Bridge

Though we die, we will always live
When we fail, You are faithful still
Help us rise facing all our fears
Anchored by this hope within
Anchored by our hope within (2nd time)
