Verse 1:

You cannot be measured
Your strength is never ending
You're holding in your hands
The weight of all creation

Lift my eyes to see You, Jesus
Lift my eyes from fading things
All I want is to be with You,
Everlasting, Only King

You're higher, wise Father
You speak, my soul awakens
Provider, Defender
With You I won't be shaken

Open my heart to love You
God above all
Open my eyes to Your ways
Show me Your face
Open my eyes to see You
To meet Your gaze

Leave me in awe
Open my heart to love You
