**Intro:** - - - -

## **Verse 1**

Heaven come make your home inside this heart  
You alone on the throne inside this heart  
I want to feel Your heartbeat in my chest  
I want Your praise forever on my lips  
I want to see Your glory stretching on

You are alive inside us now  
We believe it, we can feel it  
Yours is the glory and the power  
Your kingdom come down, Your kingdom come now

## **Verse 2**

Jesus, You gave it all to have this heart  
You forgive and You call to every heart

Show us Your glory, Your name is holy  
Show us Your glory, glory God
