

In Your Heart [Lyrics, 78 bpm, 6/8]

[Fresh Life Worship] by Leon Gregory, Shayla Smith, and Solomon Ray

Intro: - -

Verse

Why do You do the things You do?
How can I comprehend Your ways?
Simply speaking You formed all creation
Who am I to assume I know better?

Chorus (Same chords)

Your thoughts are more than I can know
And You love
So far beyond what I can feel
There's no end
You see it all, You love me still
From the start
I cannot grasp all of the grace
In Your heart
I'm in Your heart

Verse 2

No star's too far for You to see
But I'm at the center of Your gaze
There is no better love than Your promise
There is no better song than Your praise

Chorus

Bridge

Powerful in Your ways
Over all of my days
I'm caught in colossal grace
In awe at the sight of Your face

Chorus
