

Pouring Out [Lyrics, 4/4]

[Fresh Life Worship]

CHORUS

You are enough
You are enough
You are enough
Jesus

VERSE 1

Grace upon grace flow from Your heart, love from the deepest well
When I find I've found the end oh that's where I meet more of yourself

PRE-CHORUS

You just keep pouring out
Pouring out
Pouring out Your love

CHORUS

VERSE 2

When I'm dry You satisfy oh You have proven You're enough
Wave after wave drowning my shame, sin is no match for this flood

PRE-CHORUS
