Verse 1

My heart is on the run, blinded by pain
Every step I take seems to bruise me
I hear the enemy, He must be close by
My feet are giving in

Verse 2

Your love surrounds me, wipes away wounds
Lets me breath again, moves me forward
I see the path You made in the distance
Help is on the way

Chorus

So we'll get up now, let go of all our burdens
Won't stop running, even when our hearts are breaking
King of glory, ruler over time and seasons
You will never let go

We look to You, Give us Your power
Jesus our strength, Show us Your glory
We look to you, Give us Your power
Jesus our strength, Show us Your glory
