

# Cling to the Rock [Lyrics, 4/4]

[Fresh Life Worship]

**Intro:** - - -

**Verse 1:**

Though the mountains give way  
And the hills be removed  
One name will remain  
He is faithful and true

**Intro**

**Verse 2:**

Though the heavens unfold  
And the oceans retreat  
There is One who will stay  
holding to me

**Chorus:**

So I'll cling to the rock that is higher  
Cling to the God who is greater  
Cling to a Love that is deeper  
than everything I see

**Verse 3:**

When the rain and the wind  
flood the valleys in me  
I find refuge in Him  
Far above what I see, above what I see

**Bridge:**

And here in your presence  
I am more than safe  
Jesus my Savior  
is my hiding place  
And here in this heart  
Lord, ruin all my fear  
Oh rock of ages  
Hold me ever near

**Bridge breakdown:**

**Outro:** Same as **Intro**
